MINI GLASS PUMPKINS
THIS PRODUCT IS NOT A TOY! Please read this entire instruction booklet before using.

INSTRUCTION MANUAL

1. DESCRIPTION

Thank you for purchasing the MINI GLASS PUMPKINS. This product features a glass casing and built-in illumination. This product is not a toy and is not intended for use by children. For decorative and indoor use only.

2. OPERATION

1. Remove the MINI GLASS PUMPKINS from the packaging.
2. Open the battery cover and insert 2 x AA batteries (not included) into the battery compartment. Align “+” and “-” as marked near the edge of the compartment.
3. Close the battery cover.
4. Slide the power switch to the “ON” or “TIMER” position to light the mechanism.
   1) Slide the switch to “TIMER” and the unit will light for 4 hours and then automatically shut off. The unit will restart 20 hours later.
   2) Slide the switch to “ON” for continuous lights.

Please note that you might hear a small rattle when moving the product. This is due to the light string inside which can occasionally hit the walls of the product and is not cause of concern. This is a feature inherent to this product, and not a sign of breakage. Thank you!

3. TROUBLESHOOTING

<table>
<thead>
<tr>
<th>PROBLEM</th>
<th>LIKELY CAUSE</th>
<th>SOLUTION</th>
</tr>
</thead>
<tbody>
<tr>

4. SAFETY INSTRUCTIONS AND WARNINGS

WARNING: THIS IS NOT A TOY! THIS PRODUCT CONTAINS SMALL PARTS, WHICH COULD CAUSE CHOKING IF SWALLOWED.

TO PREVENT FIRE OR SHOCK HAZARD, DO NOT REMOVE COVER. NO USER SERVICEABLE PARTS INSIDE. IF SERVICING IS NEEDED, SEND TO QUALIFIED SERVICE PERSONNEL.

PLEASE ADHERE TO THE FOLLOWING:

1. Read Instructions - All safety and operating instructions should be read before the item is operated. Please adhere to the instructions and warnings for your safety.
2. Heat - The item should be situated away from heat sources such as radiators, hairdryers, heat registers, stoves or other appliances that produce heat.
3. Damage Requiring Service - Have a qualified service personnel service this item when:
   A. Objects have fallen or liquid has spilled into the item.
   B. The item has been exposed to rain or moisture.
   C. All troubleshooting techniques have been tried and the item will not work or has stopped working.
   D. The item has been dropped or the enclosure damaged.

Batteries should be recycled or disposed of as per state and local guidelines.
Federal Communications Commission Code, Part 15:

NOTES: This equipment has been tested and found to comply with the limits for a Class B digital device pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If the equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to correct the interference by one or more of the following measures:

(a) reorient or relocate the receiving antenna;
(b) increase the separation between the equipment and the receiver;
(c) connect the equipment to an outlet on a circuit different from that to which the receiver is connected;
(d) consult the dealer or an experienced radio/TV technician for help.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

The following is only applicable to customers in the USA:
