1. DESCRIPTION

Thank you for purchasing the ILLUMINATED MASON JAR. This product features a hand painted glass jar and built-in illumination. For indoor or outdoor use. This product is not a toy and is not intended for use by children.

2. OPERATION

1. Remove the 3 pieces (jar, lid, light fitting) of the Mason Jar from the packaging.
2. Open the clear lid and remove the light fitting from the jar.
3. Open the battery cover of the light fitting. Insert 3 x AA batteries (included) into the battery compartment. Align "+" and "−" as marked near the edge of the compartment. Close the battery cover.
4. There are 2 switches on top of the mechanism.
   A. Slide the ON/OFF/TIMER switch to the “ON” or “TIMER” position to light the mechanism.
      1) Slide the switch to “TIMER” and the unit will light for 4 hours and then automatically shut off. The unit will restart 20 hours later.
      2) Slide the switch to “ON” for continuous lights.
   B. Slide the TWINKLE/STEADY switch to control the lighting effect.
      1) Slide the switch to the “STEADY” position to light all bulbs continuously.
      2) Slide the switch to the “TWINKLING” for a firefly lighting effect.
5. Place the light fitting inside the Mason Jar with the switches facing upward and firmly close with the clear lid.
6. Use the Mason Jar as a tabletop decoration or securely hang as an ornament inside or outside the house.
